

(vi) Extra Curricular Activities

Our students are good sportsperson too. They actively participate in the sports activities. Our students have played cricket matches at inter-university level tournament. We have national level players in our cricket team. In table tennis also our students have won prizes at state level. So we have laurels in sports also.

The college excels in inculcating & encouraging ethos in its students by providing excellent infrastructure. The specialized sports wing includes intensive training by instructors. The laurels and accolades received by the college teams bear testimony to the outstanding performance of this wing. In tune with the objective of all round development of students, Sport has an unmatched ability to mobilize and excite people in their millions.

Sport matters to most people, but fewer of us play sport or are physically active on a regular basis. Various sporting and physical development activities are encouraged amongst students. To enable students to enjoy sports, the campus is equipped with an Olympic size running track, football field, cricket field, basket ball & tennis courts, table tennis tables etc.
